

Certified Management Accountant

Exam windows 2023

IMA's Certification for Accountants and Financial Professionals in Business

CMA Overview

CMA is the certification for accounting and strategic management.

It is held by Professionals in more than 100 countries, validating the experience in many countries all over the world.

As a globally recognized accounting certification, the CMA is your “passport” to pursue a wide range of career opportunities with multinational companies and other dynamic business and organizations.

The CMA equips you with in-depth mastery of financial & business skills that put you in demand with employers.

Lecturer's Team

A photograph of a person rappelling down a steep, rocky cliff face. The person is silhouetted against a light sky, with their arms raised in a celebratory gesture. The cliff is rugged and brownish-yellow, with some green vegetation at the top. The background shows a valley with green trees and a blue sky.

Chrysanthos Stefanopoulos holds a Bachelor's Degree in Economic Science from the Athens University of Economics and Business and a Master's Degree in Banking from the Hellenic Open University.

He is a Fellow member of the Association of Chartered Certified Accountants (ACCA) and has served for many years as a member of the ACCA Advisory Committee in Greece.

He started his career in the audit and consulting services with one of the Big-4 firms, where he worked mainly in costing, performance management and financial management advisory projects.

He has been teaching since 2003 in professional courses at Globaltraining in Greece, Cyprus and Romania (ACCA, ACA, CMA, CIA), specializing in Management Accounting, Performance Management and Financial Management.

Dimitris Souleles has extensive professional experience spreading over 20 years in both Greek and foreign multinational companies. His experience covers all areas of Finance -Financial Accounting, Budgeting and Controlling, Treasury and Tax. He has led international projects on budgeting & consolidation and mergers & acquisitions. He currently holds the position of CFO in a large Greek company.

He has been teaching since 2021 at Globaltraining, specializing in Financial Statement Analysis, Planning, Budgeting & Forecasting and Ethics.

He is a Certified Management Accountant (CMA), and a fellow member of Institute of Management Accountants. He is also a mentor in Archimedes - Center for Research, Innovation and Entrepreneurship of University of Athens. Dimitris holds BSc in Economics from University of Athens, specialized in Financial Management and an MBA under scholarship from ALBA.
