

Principles of International Taxation

Continuing Professional Development

Instructor:

Andreas Lambrou, BSc, ACCA, ADIT

As access to the global marketplace grows with cross border transactions, it is vital to expand and improve your knowledge of the tax laws and systems pertaining to the various markets as well as to explore various techniques in international tax planning.

To minimize the tax burden on income and profits for you and your clients, acceleration of your understanding of critical tax laws and regulations affecting cross-border transactions is essential.

This seminar has been specifically designed to meet the needs of professionals from various backgrounds who wish to develop their competence in the field of International Taxation, and benefit from the credibility that this expert knowledge will afford them.

Who should attend the seminar?

This seminar is addressed to Financial controllers, accountants, tax consultants, bankers and banking executives. Government tax officials and lawyers.
